The 100 Nations Project Prayer Objectives

1. Pray for reinforcements for the 80 nations where BIMI missionaries are already at work.
2. Pray for open doors and new missionaries for 20 “new” nations that have been targeted for missionary expansion (thereby increasing the total number of countries where we work to 100).
3. Pray that the Lord will call and churches will send 500 new missionaries to the nations through BIMI by 2010.

Pray for missionaries for these 20 *new* countries:

Pray for these other ministries of BIMI

1. Pray for the Military Ministry—More than 80 missionaries ministering to the military in dozens of works around the globe.
2. Pray for **CAMP BIMI** (Basic International Missionary Institute)—an annual training camp where people can find where they fit in missions.
3. Pray for **CLAIM** (Christian Laymen Assisting International Missionaries)—laymen assisting missionaries in building and church building projects.
4. Pray for our missionaries serving in sensitive nations.
